

The Hampton County Sheriff's Office Victim's Advocate Division

HCSO Victim Advocate Officers Lt. Dot Washington, Dep. Jasmine Butler and Dep. Shannon Parker

Cordially invite you to join us for a day of fun, fitness and friends at our 1st Annual 3K Walk and Fun Day.

This year's theme is **DERAILING DESTRUCTION**, with a goal of replacing violence with positive actions and bringing our community back together. Our community has endured violence far too long and it's time to begin the restoration process.

In order to make this event successful, our division needs your help. We are asking your agency to come out and join us for this fun filled day beginning at 9 am on September 9, 2017.

Registration for the 3K walk requires a \$10 registration fee for your agency's participation. Registration fee's are due no later than August 18, 2017. All proceeds will be used to fund this event. However, all other donations (monetary, food, beverage)

will be greatly appreciated and accepted.

Following the walk the fun will continue with our Fun Day activities at the Larry Freeman Ball Field, located on Cemetery Rd., Varnville, SC, where there will be activities for kids such as water games, give a ways, and refreshments.

Please remember to bring your family and friends. Your support of this event is appreciated.

"Yesterday is not ours to recover, but tomorrow is ours to win or lose".

- Lyndon B. Johnson
